Transom Grant LOI Overview

? Project Overview: Provide a concise description of the proposed program and its purpose, as well as how it aligns with one of BCM's four focus areas: Health, Education, Public Safety, or Housing Stability, and how it falls into the category of Plan, Pilot, or Scale.

? Community Need: Clearly describe the local challenge or opportunity being addressed, identify the target population, and support the need with relevant data from the past three years.

? Measurable Outcomes: State at least three expected results in a measurable format, with a baseline and a target for each.

? Implementation Approach: Explain how the project will be carried out, the evidence or best practices informing the approach, and the organization's experience delivering similar work.

? Partnerships and Sustainability: Describe collaborating organizations and how the work will lead to long-term sustainability beyond the grant period.

? Budget and Funding Request: Specify the total grant request (minimum $75,000 per year) and provide a line-item budget using the BCM budget template.

? Submission: Letters of Intent are limited to two pages and are due February 22, 2027 at 5:00 PM CT through the BCM online application portal.
